CAAV

MEMORANDUM FOR: CDR 1-140<sup>th</sup> Aviation Battalion  
CDR 1-18<sup>th</sup> Cavalry Squadron

SUBJECT: Boss/Spouse Lift Requirements

The following requirements will be met when conducting either a Boss or Spouse Lift with aircraft assigned to the California Army National Guard.

1. All Boss/Spouse Lifts will be conducted at home station (ie; AASF or AVCRAD).
2. All Boss/Spouse Lifts will be conducted in dual engine aircraft.
3. The following minimum weather is required for all Boss/Spouse Lifts  
Ceiling: 2000 ft      Visibility: 3 miles
4. Duration of Boss/Spouse Lift flights will not exceed 1 hour (60 minutes) from take-off to landing.
5. When available, an IP/SP will be at the controls of the aircraft. If an IP/SP is not available the sponsoring National Guard Member (ie: employee/spouse) will not be a functioning crewmember.
